EXPERIENCE

Createam Studio (2022 - Present)
Creative Project Lead
Led end-to-end delivery of digital and marketing projects for multiple clients, producing high-quality video, design, and web assets. Managed the full production process from concept to delivery, ensuring projects were on time and aligned with business goals. Collaborated directly with clients, translating requirements into effective creative and digital solutions while handling multiple projects efficiently.

Flocky - Freelance (2023 - 2025)
Freelance Graphic Designer
Delivered high-quality graphic design work for diverse clients through a subscription-based creative platform. Produced digital marketing assets, social media visuals, and brand materials while managing multiple requests efficiently. Maintained strong design consistency, fast turnaround times, and minimal revisions across projects.

AIRR Labs - Full Time (Sep 2021 - Oct 2022)
Graphic Designer
Designed high-impact visuals for Unilever e-commerce brands, supporting major campaigns, sale events, and seasonal promotions. Created key campaign assets for approval by brand managers, which served as the basis for wider rollout across teams. Produced a full range of e-commerce visuals while managing multiple brands simultaneously, maintaining strong consistency, speed, and quality under tight deadlines.

Skyworth Philippines Corporation (2018-2021)
Marketing Artist/Graphics Design
Managed end-to-end production of digital and print marketing materials across multiple branches nationwide. Collaborated with sales managers to deliver store-specific campaigns while maintaining brand consistency and timely execution. Oversaw approval workflows, including presentations to senior management and coordination with Finance, and worked with external vendors to ensure cost-effective, high-quality outputs.
