EXPERIENCE

Createam Studio (2022 - Present)
Creative Project Lead
Lead end-to-end creative and digital marketing projects for multiple clients, overseeing everything from planning and creative direction to production and final delivery. Manage client relationships, project timelines, feedback, and approvals while coordinating multiple deliverables across branding, web design, video production, and digital campaigns. Ensure creative quality, brand consistency, and alignment with client business objectives.

Flocky - Freelance (2023 - 2025)
Freelance Graphic Designer
Managed simultaneous creative requests for diverse clients through a subscription-based design platform. Produced digital marketing assets, social media visuals, and branded materials while maintaining design consistency and meeting tight deadlines. Collaborated with clients through feedback and revision cycles to ensure timely delivery and minimal rework.

AIRR Labs (Sep 2021 - Oct 2022)
Graphic Designer
Developed high-impact e-commerce visuals for Unilever brands, supporting major sales events, seasonal promotions, and digital marketing campaigns. Created key campaign visuals for brand manager approval, establishing the creative direction for broader campaign rollouts. Managed deliverables across multiple brands while maintaining quality, brand consistency, and tight production schedules.

Skyworth Philippines Corporation (2018-2021)
Marketing Artist/Graphics Design
Managed end-to-end production of digital and print marketing materials across multiple retail branches nationwide. Collaborated with sales managers and senior leadership to execute localized campaigns aligned with business objectives. Coordinated approval processes with management and Finance while working with external vendors to ensure cost-effective production, consistent branding, and timely delivery.
